

## Is it a System 8 or a System 9 ?

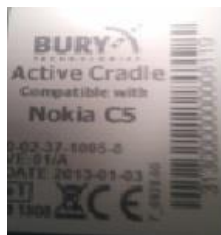

### HOW TO TELL THE DIFFERENCE BETWEEN SYSTEM 8 AND SYSTEM 9.

There are 2 ways to tell the difference.

1. Look at the back of the cradle.

**SYSTEM 8**

**SYSTEM 9**

If it has the phrase “**Take&Talk**” printed on the back it is **System 8**.

If it has the word “**Active**” printed on the back it is **System 9**.

**OR**

2. .Look at the baseplate that the cradle clicks into.

**SYSTEM 8**

**SYSTEM 9**

If it has System 9 printed on it then it is **System 9**.

Otherwise it is **System 8**.
