

# NEW RELEASE!

## ALPHA STRIKE CRADLE TO SUIT SAMSUNG GALAXY S7 EDGE

The Alpha Strike Dedicated Cradle for the Samsung Galaxy S7 Edge is intelligently designed to hold, charge, protect and boost the signal of your phone.

### KEY FEATURES

- Boost your Signal! Internal passive antenna is specifically tuned to boost your mobile signal. Comes with FME male for external antenna connection.
- This Alpha Cradle car holder requires professional installation. A professional installer will attach the cradle to the swivel mount provided and connect the power pack to your car's electronics. You then have the freedom to go further and talk longer.
- Works with most Bluetooth car kits.
- Includes a swivel mount.

### PRODUCT CODE

- ASSAS7E

### COMPATIBLE WITH

- Samsung Galaxy S7 Edge
